# USSD FOR COVID-19

THIS IS A LIMITED OFFER PRODUCT FOR OUR CURRENT SITUATION.

The USSD string will enable employers to monitor their employees as per government regulation.

The USSD code is dialled and the employee is prompted to answer regulatory protocols through checkboxes and filling out text e.g. current temperature in the USSD string.

- This data is uploaded immediately and can be monitored via a dashboard.
- Reports can also be printed for tracking purposes.
- Employees are required to follow this data collecting protocol 2 times per day.

## SIMPLY FOLLOW THESE EASY STEPS:

## EFFECTIVE TRACKING OF DATA

Report is sent to the Employers  
"Covid Ambassador"  
2 times a day.

Report should highlight  
questions asked and  
answered

Report to highlight if  
multiple parties are at the  
office at the same time

Employees must receive 2 masks from  
the Company

Employees must have access to hand  
sanitizer at the workplace

## THE MINIMUM INFO NEEDED FROM EACH PERSON IS:

- **Once off:** Full names, ID Number and Address
- **Once off:** Pre-existing conditions certification (Diabetic, High Blood Pressure, Heart conditions, etc)
- **Once off:** Opt-in to receive CV-19 related company communications via SMS, etc
- **Once off:** Certification that training has been completed
- Daily checkin and checkout
- Daily Certification/confirmation that they aren't showing symptoms (Fever, sore throat, coughing, etc)
- Daily Temperature check
- Daily certification/confirmation that you don't have CV-19 (And related certification/confirmation that you have been tested)
- **Reports:**
  - List of all staff with details (For Government use only)
  - Contact tracing report (Based on positive certification/confirmation, a report must be generated that says who the individual had contact with at the office during the last 5 days)

**\*THIS NEEDS TO BE COMPLETED BEFORE A STAFF MEMBER CAN ENTER THE BUILDING**
